indie from vienna, austria — since 2025.

“seventeen” EP & “swim shirt” single out now

press text

kids don't smoke is an indie project from vienna, austria, making music since 2025.

the debut single "lottery" came out in january 2025. "Headlights" followed and went to number one in the fm4 charts, and fm4's soundpark recommended the project.

the six-track EP "seventeen" arrived in june 2026 — on all platforms and as a limited vinyl edition. the latest single is "swim shirt", with "NO!" on the b-side.

on stage, kids don't smoke toured with sharktank and played waves vienna in 2025. april 2026 brought a sold-out headline show at lucia in vienna and a support slot for yellow days at flucc; sziget festival in budapest followed in august, and a show alongside some sprouts in münchen comes in october.
